

THE LENAIR SELF(S) HEALING CENTER, INC.
DISCLAIMER, PRIVATE LICENSE AND INFORMED CONSENT AGREEMENT

I _____ understand that the *Self(s)* Healing Experience*TM (SHE) is facilitated through its founder, Rhonda Lenair, in-person and via the telephone, and/or in a group. Through what SHE offers (the *Self(s) Healing Experience* and Rhonda Lenair as ONE becomes), I am primed to experience Self(s) enlightenment. What SHE offers is an expressive association experience can also be described as HypnoparityTM that coincides with ministration that rises from a state of Being transcendence, one is primed to become the infinite ONE as and in the state of pure Being and primed to transcend what was problematic that obstructed inner Peace.

Through HypnoparityTM: a state where two separate finite beings, in tandem, transcend stress and tension of the conscious mind. Through transcendence, in a conscious sleep-dream like plane, two are seamlessly awakened in a realm of where pure consciousness presides. Through Hypnoparity, two are primed to transcend their finite individual intellects into ONE infinite intelligence that supersedes the limitations of time and space into one vast realm of limitlessness.

This innate intelligence that flows through what SHE offers is unmuted verbally, and reflects in all ways what I am 'ripe' to hear to repair and/or comprehend, what I am primed to transcend and/or outgrow, or grow into through all levels of consciousness. What I hear is unedited truth that comes through me and back to me through Rhonda's voice. This might be, but not limited to, through metaphors, iterations, dissertations, observations, and/or PoemantrasTM. Poemantras are Self(s) composed, conceived and received calibrated poetic verse, that centers life on their life course. Through insights, foresights and in hindsight that tell, how a life to be whole, happy and well.

*Self(s): ONE infinite eternal, macrocosm of intelligence and light energy that is constantly subdividing into finite microcosms of condensed physical matter, each representing ONE whole and one whole part of ONE communicatory being that IS pure intelligence.

ABOUT RHONDA LENAIR

In 1987, Rhonda Lenair incorporated her first center in Massachusetts and began offering her private services. Rhonda was quickly defined and described by the media and clients as the 'healer of addictions' because of how rapidly many out of control issues would cease. Rhonda is still described that way today, despite the fact that out of control problems are not the objective of the experience she now offers. Back then this was a primary perceived benefit of the services that Rhonda provided, thus people may misconstrue that Rhonda offers services to address out of control problems. As the services Rhonda offered evolved, into an experience, resolving out of control issues outgrew being an objective of the experience SHE offers today. The objective of the services SHE offers today is to attain the sanctity of inner peace. Clients may still report their

out of control problems are out grown in her presence but understand it is a byproduct of what SHE produces, not the objective.

The in-person experience is comprised of multiple phases and is generally completed within two to four hours. In phase I, I will meet Rhonda Lenair and through what SHE offers I am Self(s) oriented and acclimated. During Phase II, I will feel a gentle, symbolic touch with Rhonda's hands on my upper head and/or forehead region. This touch signifies and symbolizes through Rhonda's hands that she is connecting with me both physically and non-physically, as ONE Self(s) being (non-physical) and one (self-physical) being as ONE. I will be fully clothed and resting on a couch during all phases of the experience. During Phase III, Rhonda continues reiterating the information my system produced and additional information will continue during this phase.

Phases II and III are repeated two more times until the experience ends.

SHE transforms energy through Self(s) spoken truth that I hear and produce energetically and non-physically that Coincides with what was, is, and primed to be. All of the information I will be subject to comes from my Self(s) (infinite) but relates back to myself (finite) through Rhonda's voice. One is primed to transcend to a state and plane, where all life complete coexists as ONE Self(s) and one's self being lives, in essence life *IS*.

DISCLAIMER

This Disclaimer contains important information that needs to be shared with you and for you to understand. Please be advised of the following:

The Self(s) Healing Experience and Rhonda Lenair are not substitutes or replacements for medical or psychological diagnosis, care, or any treatment by a licensed health care professional. The experience is not a therapy, treatment or program but an 'experience'. If you are physically or mentally ill or have any symptoms, you should consult a licensed health care professional and not rely on this experience as it only complements traditional medical care and only with the approval of your doctor or chosen health care provider. Likewise, if you are pregnant, nursing or consenting to the evaluation of a child, you are advised to consult with a trained medical practitioner before implementing anything that comes through this experience. The services that SHE offers are not licensed or certified by any state or locale. You should never engage in any spiritual ministrations or other energy work without the prior knowledge or approval of your healthcare provider. You should never discontinue any treatment or medication that your licensed health care provider has prescribed. You must refrain from using alcoholic beverages and any self-prescribed and/or recreational drugs for 24 hours prior to your in-person sessions. Do not engage in any energy work, program and/or modality for a minimum of one week following your experience, as doing so can neutralize and affect its benefits. (For the in-person experience only.)

Rhonda Lenair is not a medical doctor and does not practice medicine and I acknowledge that she has not presented herself as a practitioner of allopathic medicine or any of its branches,
